For the attention of Mr Gary Palmer – Group Manager

Dear Sirs

**Solihull Local Plan Review – Draft Local Plan Supplementary Consultation
January 2019.**

Re: Land r/o 114 to 118 Widney Manor Road, Solihull (ref A7)

We have received your letter dated 29th January 2019 and are concerned that the above site is to be reclassified as “Amber”

It is noted that the Council has decided not to include the site in the plan but we look upon the reclassification as detrimental to our interests.

It is only approximately three years ago that the site was roundly rejected by the Council, and after appeal, by the Inspector! The reasons for rejection are still valid therefore making it difficult to see any logic in the Council’s decision to reclassify.

It is our view that the site should be excluded from the plan and indeed from any future consideration thereby restoring certainty to ourselves and no doubt to numerous neighbours who live adjacent to the site.

Yours faithfully

J K & C Knaggs
