Dear Sir

Re Local Development Plan Site 245

Old Rugby Club Sharmans Cross

I wish to object to the above plan on the grounds that

- The 2013 all party policy on the Rugby Club on maintaining the sports club only covenant and not selling the freehold be retained.
- Such a development would add significantly to the traffic in an area which is already severely congested in the rush hours.
- Add to the already severe parking problems in the area.

Yours faithfully,

Mark Collis
