Dear Sir,

I would like to register my complaint with regard to allocation 26. Firstly I think that the 38% allocation for Shirley is quite unreasonable. Bills Lane is unsuitable for the volume of traffic this build would entail. Added to which the requirement for Schools and Doctors would be a further problem.

This land is used daily by scores of people. There would be no where else for recreation for the ageing population.

This, I understand is green belt land, and the volume of Dickens Heath will more or less join up with allocation 26.

Enough is enough in this area.

Yours faithfully
