

Summary response of data collected by online questionnaire regarding the SMBC Draft Local Plan supplementary consultation (March 2019).

Please see data below and the attached spreadsheet which gives detailed data from 502 responses.

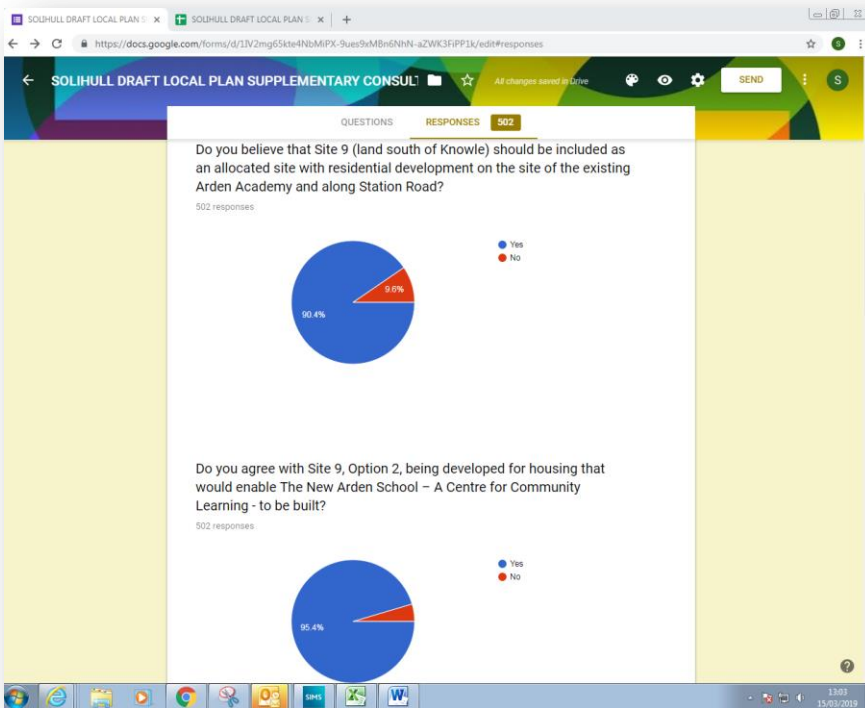

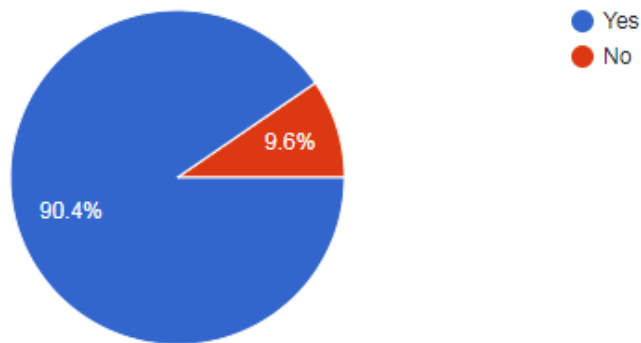

Key Headlines

1. 90.4% of respondents agree that Site 9 (land south of Knowle) should be included as an allocated site with residential development on the site of the existing Arden Academy and along Station Road.
2. 95.4% of respondents agree with Site 9, Option 2, being developed for housing that would enable The New Arden School - a centre for community learning - to be built.

Do you believe that Site 9 (land south of Knowle) should be included as an allocated site with residential development on the site of the existing Arden Academy and along Station Road?
