Local Development Plan Site 245

Dear Sirs,

I wish to object most strongly to the idea of building houses on the Old Bushy Ground - Sharmans Cross Rd; above.

The ground has covenants which protect it for SPORTS ONLY & the 2013 all party policy confirmed the site should be used for sporting purposes only.

The site is unsuitable for housing as the entrance is narrow, unsuitable for such traffic it would generate & spill out onto Sharmans Cross Rd which is already busy especially at PM rush hours with queues.

The schools & surgeries are overloaded. Flooding & drainage is a problem which now, Bostes which the character of the area would be badly affected. The density of housing is far too great & would lead to parking problems in surrounding roads.

Sports grounds should be made available to all who want to use the International Centre should be encouraged & not told 'that there are other plans for the site'. Sport is essential for young people.

Yours faithfully

J. R. Waddock (Aged)
