Draft Local Plan -
Supplementary Consultation
response

Dear Mr. Palmer

I have lived in this area for nearly 60 years & would like to object to the number of new houses being built - this is too high a proportion for our area & more pressure on resources.

Site 26

Bill's Lane is a busy road now. The gap between Shirley & Dickens Heath will be narrow & with the newly expanded Site 12 it will end up enclosing Site 13 on 3 sides. Site 13 needs protection as a nature reserve & therefore compensation would be necessary.

The revised local plan at site 11, 12 + 26 put immense pressure on infrastructure + there should be protection of the greenbelt.

Other parts of the borough need to make a contribution towards the housing targets set by government.

I sincerely hope that all these points will be taken into consideration + that the area of Shirley will be preserved as much as possible.

Yours sincerely,

(Mrs)
