Dear Sirs

Re Solihull Local Plan – Draft Submission Plan Consultation

You will recall that a response to the above Plan has been submitted to you by Hampton In Arden Parish Council. The preparation of the response was put together in conjunction with representatives of Catherine de Barnes Residents Association (CBRA) who wished it to be noted that they supported the response submitted. We took note of para 4.3¹ of the Guidance Note to Accompany Model Representation Form listed on the website www.solihull.gov.uk/lpr and undertook the following action to lobby support for the response .

The Committee of the CBRA, in the November edition of the Association newsletter urged residents to view the Local Plan and submit a response. The response to the Local Plan submitted by the Parish Council was published on the Residents Association website along with links to access the Local Plan. During the month of November, the Association issued a flyer which was hand delivered to 430 properties likely to be affected by the developments in the Plan. The flyer included a form for them to sign if they agreed with the response, and a copy of the form was also printed in the December/January issue of the newsletter just in case residents hadn't received a hard copy. A copy of this form is enclosed for your information.

We have received notices of support from 149 residents and a list of the respondents is included as an attachment to this document. The originals documents are available for inspection should you wish to do so.

We ask that you accept these details as expressions of support to our original submission and would request that you confirm that this can be done. Please e-mail said confirmation of acceptability to [REDACTED]

¹ 4.3. Where groups or individuals share a common view on the plan, it would be very helpful if they would make a single representation which represents that view, rather a large number of separate representations repeating the same points. In such cases the group should indicate how many people it is representing and how the representation has been authorised.
