Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

I support Policy KN2 – South of Knowle (Arden Triangle); it takes a Placed Based approach and will bring benefits to the local community over the long term.

I support these proposals because the existing Arden Academy is ageing, energy inefficient and lacks community facilities. The new schools will meet the educational needs of our children for decades to come. It will move school traffic off Station Road, reducing congestion at peak times and improving the environment for local householders as well as those driving to Knowle. It will provide new homes for younger and older people.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I am satisfied that Policy KN2 has been sufficiently well developed in collaboration with the community and represents a Place Based approach that I support.
