I fully support policy KN2 - south of Knowle (Arden Triangle)  
 I believe it meets the Tests of soundness and is compliant with relevant legislation. I believe it will benefit Local communities. My current school is out of date and expensive to run. I would like future Arden pupils to have a much better place to learn (Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I am satisfied that policy KN2 has been sufficiently well developed in collaboration with all parts of the community and represents a place based approach that I fully support without modification
